

Review of Investigation Result

Dear Doctors,

From time to time, you'll refer GOPC PPP patients via the IT Platform to undergo laboratory tests and x-rays services provided by HA. Please be reminded to review these relevant results or reports timely to follow-up with patients on their chronic disease management plan.

You will receive a notification of GOPC PPP Examination Referral Result in the eHR Inbox when the relevant results are available in the eHR Viewer under "Laboratory Record" and "Radiology Record" respectively for your review. The envelope icon on the top right-hand corner will turn into orange colour to remind you that you have new message.

Should you have any queries, please feel free to contact us at gopcPPP@ha.org.hk or via Programme hotline 2300 7300 for assistance (after selecting language, press "5" to speak directly with our hotline staff). Thank you for your attention.

Yours faithfully,
GOPC PPP Programme Office
