Enhancement for the List of PSP

Dear Doctors,

GOPC PPP Help Desks received requests from patients to include more information in the [List of Participating Service Provider \(PSP\)](#), in order to facilitate patient choice and minimize delay in the doctor-patient matching process. Against this background, the List of PSP will be enhanced with the following new features w.e.f. 15 January 2019.

1. A new remark to indicate the service status of PSPs

For suspension/resumption of new case admission, please send email to gopcphp@ha.org.hk, providing your **1) name**, **2) contact number** and **3) suspension/resumption period** for our follow up. Changes will be effective within 14 days upon receipt of your notice and the List will be updated regularly.
