

Advance Notice to Patients

Dear Doctors,

With Lunar New Year holidays just around the corner, please be reminded to provide advance notice to your patients if you arrange leave or foresee any service interruption.

You should avoid scheduling patients of chronic appointments during your leave or service interruption and make sure necessary arrangements such as arranging relieving doctor and providing sufficient medication to patients are in place to safeguard patients' health.

Should you have any enquiries, please feel free to contact us at gopcPPP@ha.org.hk or via the Programme hotline 2300 7300 (after selecting language, press "5" to speak directly with our hotline staff). Thank you for your attention.

Yours faithfully,
GOPC PPP Programme Office
