Notification of Investigation Results [both Ix and ECG]

The screenshot shows the eHealth+ platform interface. The left sidebar lists various message categories, with 'Inbox (1273)' highlighted. The main inbox area displays a list of messages, with one message from 'eHealth Services' titled 'GOPC PPP Investigation Request Results Updates' dated '31-Oct-2023 08:10' highlighted. Below the list, the details of the selected message are shown, including the sender 'eHealth Services' and the date '31-Oct-2023 08:10'. The message content states: 'Your investigation request(s) has/have been completed by Investigation Service Provider. Please go to To-do List of eHealth+ Platform for your actions.'

A notification will be also sent to doctor's communication means

Simplified steps

1. Automatic system notification of lab results availability
2. Access To-do-list to receive the investigation report
3. The notifications will be issued on the next day morning after lab completed the request

GOPC PPP Investigation Request Early Attention Alert

Sender: eHealth Services
Date: 26-Oct-2023 17:35

Below Investigation Request requires your early attention. Please follow up as appropriate.

Request Details:

Participant Name: LEE, KA KA7
HKIC No.: X833969(A)
Request No.: 2383000123000016233
Request Date: 26-Oct-2023
Request Type: Investigation
Patient's Urgent Contact: 61234567
Investigation Date: 26-Oct-2023
Items Require Early Follow-up: Glucose, Fasting / FPG
Remarks: Testing

Investigation Service Provider Contact:
Name: Chan Tai Man
Contact Number: 61456780

A notification will be also sent to doctor's communication means

If lab has marked any results which require early attention, doctor will receive a notification.

Access To-do List

Access to eHealth+ Platform

The screenshot shows the top navigation bar of the eHealth+ platform. The 'eHealth+' menu item is highlighted with a red box, and a mouse cursor is pointing at the 'eHealth Services' sub-item, which is also highlighted with a red box. Below the navigation bar, there are two sections: 'Quick Links - Clinical' and 'Quick Links - Administration'. The 'Clinical' section lists several links: eHR Viewer, COVID-19 Antiviral Drug Register, Cataract Surgeries Programme, Haemodialysis Public-Private Partnership Programme, Patient Empowerment Programme, Radi Collaboration Project, and GOPC PPP Programme. The 'Administration' section lists: Healthcare Recipient, eHR Administration, User Account (with a sub-link 'Update Own Account'), and Public-Private Partnership Programme.

Click To-do List from the menu icon

The screenshot shows the 'eHealth Services' dashboard. The 'To-do List' icon, which is a blue square with a white document icon and a red arrow, is highlighted with a red box. The dashboard is divided into four quadrants: 'Administrative' (containing the 'To-do List' icon), 'Clinical' (containing 'Health Profile' and 'Referral' icons), 'Drug' (containing 'Drug Order' and 'Drug Report' icons), and 'Participant' (containing 'Participant Management' icon). The user's name 'MICKEY FUNG' and a 'Logout' link are visible in the top right corner.
