Investigation Service Providers

- Two service providers will be providing services: **KingMed** and **PathLab**
- To avoid conflict of interests, HA will **pre-assign the service provider to each clinic** according to a pre-determined mechanism
- The guiding principles are geographic distribution of the service sites, patient accessibility, **prudent use of public fund**, among other considerations
- Patient can only choose the service locations and timeslots provided by the **laboratory designated for his/her paired doctor**
