 - **Enrol them directly at your clinic** using CDCC's "Participant Enrolment at doctors' clinics" function

- Please **continue to provide care under GOPC PPP** until patients return to HA
- **Timely input of relevant clinical information** in the GOPC PPP IT system
 - HA clinical team may view the latest records in **eHR Viewer**

4 GOPC PPP Patients Remain under Your Care at Own Costs

- Your patients not joining CDCC may **continue to receive care from you at own costs**
- You may continue to provide services to them **under GOPC PPP until its planned conclusion in 2028**
- This arrangement is **outside the scope of GOPC PPP and CDCC**, and must be **mutually agreed between you and your patients**

GOPC PPP Doctors Still Considering Joining CDCC

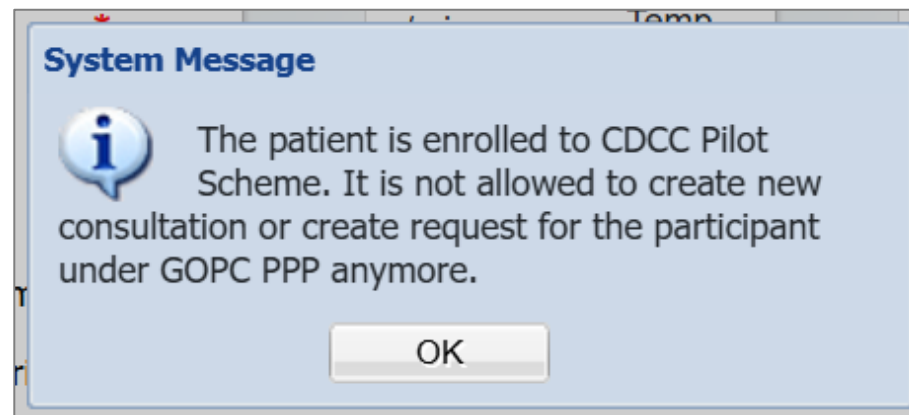

- ✓ Joining CDCC offers your GOPC PPP patients **the option to continue to receive care from you**
- ✓ CDCC covers a **wider range of chronic diseases** and has an **expanding drug list**, with **support from DHC/Es and multidisciplinary teams**
- ✓ **CDCC Programme Office** and a **designated FD hotline** to support your enrolment in CDCC

*CDCC can help you continue to provide a **more comprehensive and multidisciplinary care** to your patients!*

Please input **Consultation Records** promptly for all GOPC PPP patients

Please submit **Reimbursement Claims** timely for the services you have provided under the GOPC PPP to avoid outstanding claims
