

Trauma Operative Service Collaboration Programme Patient Guide

1. Patient agree to join the Programme and the Electronic Health Record Sharing System (eHealth)

- Read the Programme invitation letter & information sheet, then complete the Patient Enrolment Form
- If you are a waiver eligible patient, please indicate in the Patient Enrolment Form
- Consent to register with eHealth and give sharing consent to the Private Hospital

2. If Private Hospital accepts your application, you will receive the following documents from Hospital Authority (HA):

- Programme Invitation & Information Sheet (Outlines Programme Service, Fees and Charges, and Points to Note, etc)
- Patient Enrolment Form
- Programme Referral Letter
- Private Hospital Reply Slip & Notice (e.g. COVID-19 infection control measure)
- This Patient Guide
- HA physiotherapy (PT) referral letter → Patient to book PT at HA after discharge from Private Hospital
- Appointment slip for HA Specialist Out-patient Clinics Orthopaedics & Traumatology (O&T) → Patient return to HA O&T clinic for continuous management after completing operation and related follow-up at private hospital

**If Private Hospital refuses to accept your application, HA would further discuss with you the subsequent treatment arrangement.*

3. Patient to receive trauma operative service at Private Hospital

- When you attend the first appointment, please bring along the following documents:
 - ✓ Hong Kong Identity Card (HKIC)
 - ✓ Programme referral letter, Patient Enrolment Form and Private Hospital Reply Slip
- When you attend Private Hospital for each Programme service:
 - ✓ Please bring along HKIC for identity verification and attendance registration
- You should pay to the Private Hospital the same HA standard fees and charges for trauma operative service as stipulated in the Gazette (after each consultation/upon discharge)

4. Upon completing Programme Service at Private Hospital, Patient can return to HA for follow-up

(1) PT Service

- Patient can bring along the HA & Private Hospital PT Referral Letter to HA PT department to book PT service

(2) HA O&T Clinic follow-up

- Patient can bring along the HA O&T appointment slip to attend SOPC consultation as scheduled
